Remember ...

Remember the times you've had here,
Remember when you're away.
Remember the friends you've made here,
And don't forget to come back someday.

Remember this college campus,
With all we hold so true.
For you girls belong to Alpha Gam,
And Alpha Gam belongs to you.

Grace

For meat and drink we thank thee Lord
who stand round this fraternal board.
Grant that our sisters everywhere
in thy full grace and bounty share.

Chums

Chums are we, true blue old chums.
Alpha Gam binds us,
Right loyal she finds us!

Pals are we, ever we'll be
True to each other,
Dear Alpha Gam chums!

Fraternity

Fraternity, fraternity,
Mine through all eternity.

Mine to have as years pass through,
remembering friendships tried and true.

In my heart I hold you near,
Alpha Gamma Delta dear.

Got Along Without You

Got along without you before we met you,
Can't get along without you now.
We like you so but it's time to go,
Won't you come again any-how.

It's been so great but it's getting late,
Still we want you to know that with us you rate.
So to our new friends til we meet again,
we say good-bye to you.

Hm-m, Alpha Gam, hm-m, Alpha Gam,
hm-m, Alpha Gam for me.
Hm-m, Alpha Gam, hm-m, Alpha Gam,
hm-m, Alpha Gam, It's the best sorority.

Alpha Gam, Alpha Gam,
Alpha Gam says goodbye to you.
So to our new friends, til we meet again,
Alpha Gam says goodbye to you.

I'm an Alpha Gamma Delta

I'm an Alpha Gamma Delta,
Alpha Gamma do or die.
A true blue sister of the double rose,
Loyal to epsilon pi.

I'm an Alpha Gamma Delta,
And I'm proud to wear the pearls.
When I came down to old SU,
The only thing to do was
Be one of those Alpha Gamma Girls.

Candle Lighting Time

When the dusk grows softly purple
And the western sky turns grey,
Then our hearts go questing, calling
For the friends of yesterday.

For the Alpha Gamma comrades
Of the days of auld lang syne.
And we dream of dear old friendships
When it's candle-lighting time.

That's when kindred hearts come closest,
That's when bonds are strong and free,
As the dancing flame grows steady,
Lighting love and loyalty.

Let us breathe a prayer of gladness
For the days of auld lang syne,
And the visions clear our founders had
At candle-lighting time.

Farewell Song

Now though we say goodbye,
Tarry a moment longer.
Let each day fleeting by
Bind us in friendship stronger.

Though our paths lead over the land and sea,
Alpha Gam will live in our memory.
Then til we meet again,
Remember Alpha Gam.
